Enjoy a true Outback experience with the Bush Olympics

Conferencing is not just a holiday away from the office, it's a time to face challenges that help promote teamwork and encourage better office relations. ## Tips to making the most of your Bush Olympics:

- Organise your delegates into teams before they arrive so your teams are evenly matched.
- Get each team to invent their team name and choose a team colour so they can bring a patriotic outfit to compete.
- If you choose *Water Skirmish*, make sure your delegates bring old light coloured clothes as water may damage them.
- Arrange prizes and certificates for the winning team to hand out at the '*Closing Ceremony*' (we can arrange this for \$8 per person for novelty prizes).
- Choose activities to match the season and if possible, limit your teams to 6-7 delegates.
